

**Maze Restaurant at the London Marriott Hotel Grosvenor Square
named UK's best restaurant**

London, England - 21 October 2008

Gordon Ramsay's **maze** restaurant at the London Marriott Hotel Grosvenor Square has been named the UK's best restaurant at the inaugural Top UK Restaurant Awards in association with Restaurant Magazine. **maze** breaks the boundaries of formal French cuisine, adopting Asian influences in tasting-sized dishes and has held a Michelin star since opening in 2005. This latest award, which topped a list of 100 greatest restaurants as voted for by a panel of distinguished chefs, restaurateurs and critics from across the UK, was presented at a glittering awards ceremony at the Hurlingham Club in London.

On 11 April 2008, Gordon Ramsay together with **maze** Executive Chef Jason Atherton, opened **maze Grill** adjacent to **maze** inside the London Marriott. This 80 cover restaurant and bar is modelled on the more informal style of New York's grill restaurants, offering a wide range of different breeds and cuts of beef cooked over coal, alongside a number of other grilled meat and fish dishes. A unique butcher's block table seating 12 and made from a solid piece of English oak overlooks the action and theatre of the kitchen. **maze Grill** also provides In-Room Dining to hotel guests.

In addition to both restaurants, three new private dining rooms provide elegant surroundings for private events, two of which accommodate 40 guests each and the third seating 10. April also saw the publication of Jason Atherton's first recipe book, **maze, The Cookbook**. In it, Jason reveals the secrets of 30 of his signature dishes served as they would be in the restaurant.
